

Summer 2008

TO: HAYFIELD SECONDARY SCHOOL PARENTS AND FRIENDS

FROM: THE HAYFIELD HAWKS ATHLETIC BOOSTER CLUB

This school year, 2008-2009, will mark the end of Hayfield Secondary School's Athletic Program's inclusion in the Patriot District. Over the years, we have enjoyed the success of many individuals and teams who have been District Champions and /or received All-District Honors. We can expect to see the same when we become competitive members of the National District. We will continue to have the same level of success at the Regional and State levels for both teams and individuals as we always have in the past.

Again we saw over 150 Hayfield athletes receive Regional recognition for their performance in the classroom by achieving GPA's of 3.5 or higher. In addition to the six scholarships awarded by the Boosters, several graduates received full or partial scholarships to compete at the collegiate level.

But to support the winning traditions of our student athletes, we need to continue to provide the financial support that the Fairfax County Public Schools cannot deliver. Funding by the Hayfield Hawks Athletic Boosters provides additional uniform, equipment and award purchases, travel expenses outside of District competition, clinic fees for coaches and scholarships. Through the Boosters' financial and human resources support, we can continue to promote high standards of sportsmanship as well as a competitive edge.

How can you help?

- Find out more about the expansive Hayfield program at www.hawksathletics.org .
- Enroll or renew your membership in the Hayfield Athletic Booster Club.
- Volunteer your time and/or ideas to improve the overall academic/athletic environment at Hayfield.

I look forward to seeing you out at the athletic events throughout the year. Thank you for your support for our student athletes and our coaches.

Lori Ann Cardillo
Hayfield Hawks Athletic Booster Club President
